

THE ART SUITE

Josephine Baker

Live like a Diva. Legendary beauty, inside and out.

Joséphine Baker's connections with El Palace Barcelona run deep. She stayed in the hotel when visiting Barcelona in the 1950s. On various occasions, even graced the stage of the Ritz's famous Parilla with her unforgettable beauty and talent. Would you like to stay Joséphine Baker's French château? The decorations for this suite were inspired by none other than the Château des Milandes, the renaissance palace she called home.

*“The things we truly love stay with us always,
locked in our hearts as long as life remains.”*
